

Press Release

Rosemarie Clarner, long-standing managing director and head of human resources of Scheer GmbH, moves to supervisory board and advisory board functions.

Successor as managing director for human resources will be Meike Scheer. The assignment of the daughter of the sole proprietor Prof. Dr. August-Wilhelm Scheer also sets a signal of continued stability and future prospects.

Saarbrücken, March 10th 2023

Rosemarie Clarner, long-standing managing director and head of human resources of Scheer GmbH, moves to supervisory board and advisory board functions in the Scheer network, effective July 1st 2023, one year after reaching the age-limit. She remains managing director of Scheer Holding and will therefore continue to contribute her extensive experience to the entire enterprise.

As of April 1st her successor as managing director for human resources of Scheer GmbH will be Meike Scheer, daughter of the company's owner Prof. Dr. August-Wilhelm Scheer. The 48 year old lawyer previously held HR responsibilities at various international companies, most recently at the consulting firm Pricewaterhouse Coopers GmbH (PwC).

Prof. Scheer recognizes the extraordinarily great services Rosemarie Clarner has rendered to the Scheer companies over the past 25 years. With Meike Scheer's assignment of personnel responsibility for Scheer GmbH Prof. Scheer also sets a signal for continued stability and secure future prospects of the organization. Scheer GmbH is the largest enterprise within Scheer Holding, which as a whole counts 1300 employees.

About Scheer GmbH

Scheer GmbH is the flagship company of the Scheer Group, which operates in various European countries as well as in the U.S.A., Singapore and Australia.

As a consulting and software house with proven process expertise, Scheer GmbH supports companies in the development of new business models, with the optimization and implementation of efficient business processes as well as with the dependable operation of their IT systems. The integrated architecture comprises various consulting solutions and products: it offers dependable solutions for the end-to-end digitization of business models and processes as well as for the implementation of new technologies in digital business. Scheer is the partner of choice for many well-known companies working towards the useful and efficient implementation of SAP and SAP S/4 HANA. Furthermore, consulting in the context of the current development of business process management and process mining supports the quality of innovative business model processes.

Customers benefit from high levels of Scheer sector expertise, gained from diverse consulting projects, professional IT implementation and the possibility of having their applications or the entire IT-architecture run and managed in the cloud by Scheer experts.
